

Submersible Motor Control Boxes

Grundfos offers a complete range of submersible control boxes designed specifically for Grundfos MS three-wire, single phase motors rated 0.37kW to 2.2kW. Grundfos control boxes feature heavy duty epoxy coated steel. 0.37kW to 0.75kW design features a quick removal cover which acts as an electrical disconnect. All functional components are attached to the cover.

PRODUCT RANGE

Standard: 0.37kW to 2.2kW

ENCLOSURE

IP 55

Gray Epoxy Coated

1.2mm Steel Construction

BENEFITS

Compact Size

UL Recognized Capacitor

UL Recognized Voltage Relay

Standard Features

- Terminals accept up to 25mm² wire
- External access to overload resets
- Multiple knockout sizes
- User-friendly connection diagrams
- Easy access to grounding lugs
